

Thank you, for your interest in a WYSIWYG Great Dane. Please complete the following questionnaire. We will carefully review it and respond to you via email or phone as soon as we can. Please keep in mind that we work full time, train dogs in the evenings, and attend dog shows most weekends so it may take some time to get back to you. This questionnaire is designed to help us determine the best possible home for each individual puppy. It is just the first step in our interview process.
